

Cicero partner program.

Grow your revenue.
Differentiate your offering.
Transform learning.

Why partner with Cicero?

Cicero is the AI-powered roleplay platform that enables training providers, consultants, and content developers to deliver unforgettable, real-world learning experiences—at scale.

Skill gaps cost the U.S. economy nearly \$160 billion each year - a clear signal that traditional training isn't closing the gap fast enough. Cicero empowers your clients to solve this problem by giving their teams meaningful, immersive practice in real-world scenarios, building the agility and resilience needed to drive measurable performance and lasting business impact.

As a partner, you'll unlock new revenue streams, stand out in a crowded market, and deliver results your clients can measure.

Top benefits for partners

- 01 New revenue opportunities**
Earn high-margin referral or reseller income. Bundle Cicero into your existing training programs and start selling immediately.
- 02 Differentiate your offerings**
Stand out with immersive, AI-driven roleplay simulations. From sales to service to leadership, Cicero turns passive learning into confident performance.
- 03 Scalable, zero overhead**
No dev team needed. Create, customize, and deploy realistic training scenarios using our intuitive platform. Track learner performance with built-in analytics.

What you can do with Cicero

- Add interactive roleplay to your off-the-shelf or custom content
- White-label Cicero to match your brand and value prop
- Deliver measurable, outcome-based learning to your clients
- Extend your client lifecycle through ongoing scenario updates

Let's grow together

Join the Cicero Partner Program to expand your reach, increase your impact, and build recurring revenue through intelligent training simulations.
